FISCAL NOTE

HB 2123 - SB 2086

February 19, 2016

SUMMARY OF BILL: Prohibits the construction or operation of any licensed distillery within 1,000 feet of United States Highway 441 in Pigeon Forge. Exempts existing distilleries licensed, in operation, and open to the public prior to the effective date of the bill.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- No impact on existing distilleries as they will be exempt from the prohibition.
- Any future distilleries are reasonably assumed to locate a distance greater than 1,000 feet from the highway in order to be in compliance with the provisions of this bill; therefore, any foregone state and local revenue is estimated to be not significant.
